

JOB DESCRIPTION & PERSON SPECIFICATION

Director Area: Resources

Job Ref Number: 03944

Service Area: Financial Services

Grade: G7

Job Title: Senior Finance Technician

PURPOSE OF JOB:

As a Senior Finance Technician, you will report to the Finance Manager, and will be responsible for:

Management of team members

To manage members of the team to deliver robust financial services.

Financial Management

To provide senior Financial Services staff, Budget Managers and Spend Managers with effective financial planning and performance management across revenue and capital budgets. To develop comprehensive and high-quality financial intelligence to underpin decision making.

Financial Governance

Deliver within a sound and compliant financial control environment.

Customer Focused

Understand the needs and expectations of our customers and ensure prompt delivery of services, taking action to resolve queries and/or issues promptly and courteously.

TEAM STRUCTURE:

MAIN DUTIES:

1	Support senior finance staff to accurately monitor revenue and capital budget preparation, budget monitoring and closure of the final accounts.
2	Work with budget managers and support senior finance staff to provide financial intelligence underpinning budget manager advice and guidance.
3	Working with colleagues, provide accurate and effective financial intelligence and advice aligned with accounting standards, financial planning, and corporate objectives.
4	Deliver effective financial planning, financial management and performance management in relation to all revenue and capital budgets for service areas.
5	Provide advice and complete financial modelling on the implications of low-risk service development proposals and statutory changes maximising opportunities and minimising risks.

6	Provide constructive challenge to existing processes to drive efficient and effective service delivery.
7	Breakdown problems and use experience and judgement to evaluate potential options for resolution.
8	As part of the budget setting process, identify, structure, and monitor financial data relating to key income and expenditure drivers. Working with budget and spend managers understand and cost budget pressures and opportunities for future years.
9	Work within a sound financial control environment including structured, efficient, and compliant financial systems.
10	Review and challenge Budget Manager outturn projections ensuring, in particular, that budgets are realistic, resources have been allocated promptly and outturn projections look reasonable in relation to spending to date.
11	Assist with the development of systems and processes to help improve the accuracy of outturn projections, particularly for large, more volatile and higher risk budgets.
13	Monitoring the delivery of efficiency savings throughout the year and reporting therein.
14	Assisting Budget Senior Managers with the evaluation of the value for money provided by services.
15	Assisting Budget Holders and Senior and Spend Managers in the development of detailed plans for use of grants and monitoring delivery of those plans, ensuring that grants are fully utilised.
16	Assisting with the completion of statutory returns.
17	Advise Budget Holders and Senior Managers on the closure of accounts process. Responsible for adjusting the accounts through budget virements and journals, in accordance with Financial Procedures, ensuring accurate financial statements are completed.
18	To obtain information to enable complex FOI requests to be answered within the national set 20-day response time.
19	Provide technical expertise, guidance and support to staff involved in service delivery across the Council, including the preparation and delivery of training material.
20	Develop and maintain relationships with commissioners, service users, stakeholders, partners and potential providers.
21	To manage and motivate members of staff to deliver effective financial services. Act as a role model to others helping them to manage uncertainty and to respond positively and creatively to changing expectations.
22	Responsible for undertaking Continuing Professional Development, applying the learning to enhance service delivery. Create a continuous improvement approach to the role and feeding in the wider LCC business performance improvement programme.
23	Continuously develop oneself and contribute to the development of individuals across the Council coaching, mentoring and motivating staff to achieve performance excellence.
24	Maintain professional awareness, keep up to date with changes to legislation and accounting standards.
25	Deliver excellent customer service, incorporating the Council's equality and diversity objectives and supporting the council to achieve best practice in all it delivers.

26	Keep up to date and compliant with all relevant legislation, organisational procedures, policies and professional codes of conduct to uphold standards of best practice.
27	Proactively support the implementation of agreed service changes ensuring new processes are embedded, maximising the benefits and efficiencies for both internal and external customers, including the promotion and use of self -service to achieve maximum cost effectiveness.
28	Ensure compliance with Equality and Diversity policies in relation to financial activities. Promote the Council's values and behaviours to create a positive work environment and image. Comply with Health and Safety policies and procedures for staff ensuring risk assessments are carried out to minimise and/or mitigate risk to staff.
29	To undertake training in business-critical service areas to provide cover during peaks in service demand and periods of leave. This includes treasury cover.
30	Responsible for the completion of all mandatory training applicable to the role in accordance with LCC employment policies including refresh within the stated timescales.
