Job Title:

Social Worker – Level 2

For use across the following teams: Family Assessment and Support Team, Adoption, Fostering, Children with Disabilities, Children In Care

PURPOSE OF JOB:

It is expected that the post holder will have at least two years, post qualifying experience.

The role is responsible for providing practical and social work support for children, young people and families. This involves holding a more complex caseload. This will include undertaking assessments, visiting children and their families, carrying out interventions, reviewing the work undertaken, direct work with children, young people and families and any other work identified as necessary. All this must be based on best evidence and good practice, privileging the best interests of children and young people. The post holder could be expected to offer mentoring, work-shadowing/work experience opportunities and study towards the Practice Educator qualification and post qualifying modules.

TEAM STRUCTURE:

MAIN DUTIES: Work independently to hold and effectively manage a caseload, acknowledging and ensuring appropriate levels of responsibility commensurate with the individual's knowledge and skills. Work directly with children, young people and families, involving all key family members and prioritising children and young people's safety. Work using Signs of Safety methodology, which works collaboratively with families to empower them to find solutions whilst ensuring working within the policies, procedures of Children's Services and regulatory standards. Carry out in depth and ongoing family assessment of social need and risk to children, with particular focus on parental capacity and capacity to change.
